

Turning Leaves

2 contrasting batik fat quarters in autumn colors

Cut an $8 \frac{7}{8}$ " x $8 \frac{7}{8}$ " square from each fat quarter

Trace leaf design on paper side of fusible adhesive two times. Cut out and fuse to back of both batik fat quarters. Cut out leaf shape.

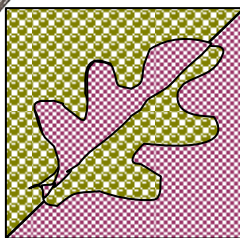

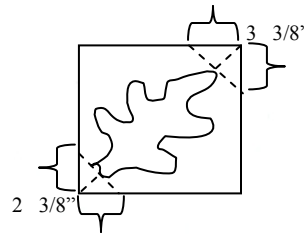

Fuse leaf shapes to contrasting fabric squares. Use diagram below to help in leaf placement on square.

Edge stitch around leaf.

Cut on diagonal--lengthwise of the leaf.

Switch one half of the block with one half block from other square.

Sew back together so the leaf is half one fabric and half the other fabric and the background is half one fabric and half the other color.

Makes 2 blocks
