

February Block of the Month

Floral Churn Dash

Let's make a sweet little Churn Dash block this month,
using colors to remind us that Spring is coming!

Fabric and Cutting

This block uses four fabrics. Use a fun floral fabric for the center, with printed pink and green fabrics to contrast. Use white on white - or - white fabric for the background.

A – $2 \frac{7}{8}$ squares, cut diagonally into half square triangles (4 white, 4 pink) – or - use your chosen method to make four half square triangle units measuring $2 \frac{1}{2}$ unfinished.

B – $1 \frac{1}{2} \times 2 \frac{1}{2}$ (4 white, 4 green)

C – $2 \frac{1}{2} \times 2 \frac{1}{2}$ (1 floral)

Sewing

Make your half square triangle units, then sew the block together in rows as pictured.

Finished size is 6 inches, $6 \frac{1}{2}$ inches unfinished
