

September Block of the Month

Autumn Frames

This large block comes together quickly with only squares and rectangles.

Fabric and Cutting for One Block

Select fall- or autumn-colored prints. Choose a focal print, such as leaves, flowers, or birds, for the center square. Use a green print for the inner frame. For the outer border, use a gold, orange, rust or brown print paired with a cream or beige print for the lighter border.

A – Cut four 6 ½" × 2 ½" rectangles: 2 gold/brown/rust and 2 beige.

B – Cut six 2 ½" × 4 ½" rectangles: 2 gold/brown/rust, 2 beige, and 2 green.

C – Cut two 2 ½" × 8 ½" rectangles from green fabric.

D – Cut one 4 ½" square from the focal fabric.

Sewing

Attach the inner borders to the focal square. Sew the border fabrics together, then attach them to the framed square as shown.

Finished size: 12 inches; unfinished size: 12 ½ inches.
