

Quilt Alaska 2026

Get ready for Quilt Alaska 2026! Let's make this event outstanding!

The biennial show, organized by Fairbanks Arts Association (FFA) and the Cabin Fever Quilters Guild, is open to residents of Interior Alaska, Doyon Region and CFQG members. Held at the Bear Gallery within Pioneer Park, it features quilts of any size and wearable art garments, attracting many visitors during the bi-annual event. Each person may submit either one entry, or both, a garment and a quilt. If you are unsure whether your item will qualify for the show, please ask.

For this exhibit, a "QUILT" consists of three layers—a designed top, center batting, and back—held together by stitched patterns or designs. This description pertains to both quilts and wearable art. We support all quilting styles: traditional, contemporary, and modern.

You will be required to attach Velcro (hook side) to the top of your quilt for hanging. Very large quilts will require additional Velcro on the bottom corners.

You can elect to sell your work; however, the Fairbanks Art Association will retain a 35% commission.
